Group 2—Sunday (8:00am—12:00pm)

**Each wetlab session limited to 12 participants*

Tuition Fee: \$600

8 Hours CE Credits Offered

Animal Health

Meals Provided by MWI & Pfizer

Lectures will be presented by Dr. Mary Beth Whitcomb, Associate Professor of Large Animal Ultrasonography at UC Davis, using the latest in presentation techniques to simulate the ultrasound exam. Dr. Whitcomb will be joined by her faculty colleague, Dr. Betsy Vaughan, from UC Davis to instruct wetlab participants in the proper techniques of the lectured structures. Drs. Whitcomb & Vaughan bring a combined 19 years teaching experience in the art of ultrasonography and are dedicated to providing the best in hands-on ultrasound experience to wetlab participants.

Littleton Equine Medical Center, Littleton, CO
